Presented to the Class of 1987
THE RIVER OF KNOWLEDGE
Susquehanna University
Selinsgrove, Pennsylvania

*It seems that we
have been together forever.
You and I, all of us;
Just us and the river.
The river flows by slowly,
without a sound,
but I know that further on
it crashes out and over itself.
Here under this crumbling bridge,
the silent river
cannot see itself down by the rapids,
but it knows the rapids are there.
The slow moving waters
can depend on the rushing water
which cannot be seen,
just as I can depend on you
wherever you may be.
As we stream out in different directions,
we know that all of us*

*are the source of one another,
Just as tiny streams know
that the the river is their
neverending source.
Without the river,
the streams would run dry,
Just as I would be empty
without you.
As we sit here
on the river bank,
I do not see the little boy fishing
or the back ebb created by a
circle of rocks.
Instead, I see
an endless river
gliding onward and forward,
Just as our friendship
has been and always will be.*

—Patricia J. Scotton

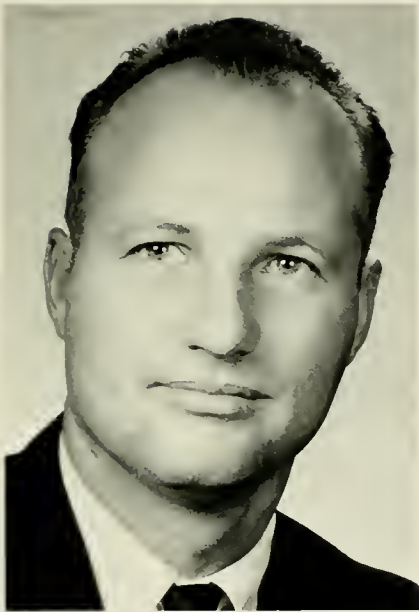

Dedication

Does this person seem familiar? Well for some they may think he is just another student on campus, but for most of Susquehanna University's staff, faculty and student body know him as Dr. John H. Longaker, Jr., professor of history.

Dr. Longaker is a native of Camden, N.J., and attended public schools in Pottstown, Pa. He received his B.A. from Lafayette College, and holds a M.A. and Ph.D degrees from the University of Pennsylvania. Since his arrival at Susquehanna in 1962, he has been awarded various honors for his outstanding teaching and service to the campus community. In 1965 and 1969 he was named Professor of the Year by vote of the student body and in 1974 he was selected by his peers on the faculty as recipient of the Lindback Foundation Outstanding Teacher Award. Dr. Longaker currently is the head of the history department, and campus coordinator for the Woodrow Wilson Visiting Fellows Program.

Susquehanna University is proud to say that Dr. Longaker is part of our campus community, and for this we dedicate this 1987 edition of the Lanthorn to you, Dr. John H. Longaker, Jr. We really do appreciate all the years and dedication that you have given us over the years.

*Just as you feel when
you look on the river
and sky, so I felt, Just as
any of you is one of a
living crowd, I was one
of a crowd, Just as you
are refreshed by the
gladness of the river
and the bright flow, I
was refreshed . . .*

—Walt Whitman

*Rivers belong
where they can
ramble, eagles
belong where they
can fly.*

—Pippin

*See a rippling stream
that smiles and then goes by
run to feel its comfort . . .
—Genesis*

*You think of starlight on the
 river, star
 By star declaring its
 motionless, holy self
 Except at the ruffle by the
 sandbar
 You wondered if the
 reflection was seen
 by the sky's star . . .
 —Robert Penn Warren*

*I was raised by the river,
weaned upon the sky . . .
—Dan Fogelberg*

*The river glideth at his own
sweet will.*

—William Wordsworth

*With all
memory and
fate driven deep
beneath the
waves. Let me
forget about
today until
tomorrow . . .*

—Bob Dylan

Graduation:

Friendships Everflowing

*Time is but the stream I
go a-fishin' in. I drink at
it and as I do I detect how
shallow it is.
—Henry David Thoreau*

***Orientation:
New Beginnings, New
friends, and the start of
a special year.***

*While lingering rivers in meanders glide,
They scatter verdant life on either side.*
—Sir R. Blackmore

Convocation:

A River of Knowledge

*Homecoming:
A Winning
Weekend*

*Flying high with
the thrills and
excitement of
Homecoming.*

*Senior Anne Molloy was
crowned our Homecoming
Queen . . . The Crusader Field
Hockey Team started the day
on a winning note . . . And the
Football Squad thrilled the
large crowd with a final-play
victory over Lycoming which
launched its MAC
Championship season.*

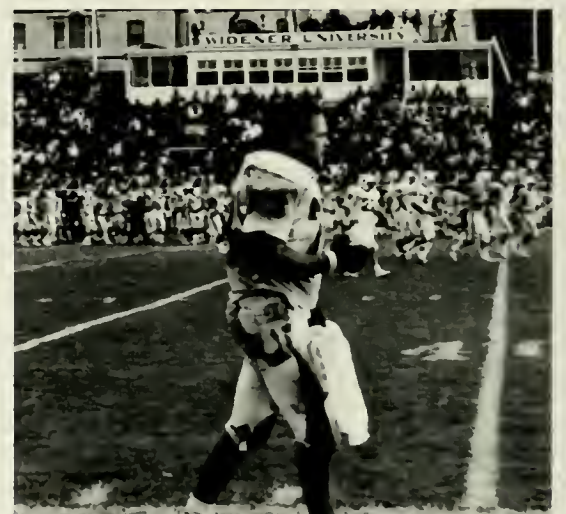

Phi Sigma Kappa "walked" away with the winning float.

*The river of life,
through midst of heaven,
Rolls o'er elysian flowers
her amber stream.*

—Milton

*And when I asked the name of the river
from the brakeman, and heard that
it was called the Susquehanna
the beauty of the name seemed to be
part and parcel of the beauty of the land . . .
That was the name, as no other could be
For that shining river and desirable.*

—Robert Louis Stevenson

ORGANIZATIONS

Honor Societies

Alpha Epsilon Rho

The objectives of Alpha Epsilon Rho are to encourage and reward scholarship and accomplishment among broadcasting students, and high level accomplishments in the art and science of broadcasting by both student and industry professionals, and to promote the advancement of broadcast education.

Alpha Lambda Delta

Alpha Lambda Delta is the national honor society for freshmen who achieve a 3.5 average or better during their freshman year.

Alpha Psi Omega

Alpha Psi Omega is the national honor society for those students excelling in theatre.

Delta Mu Delta

Delta Mu Delta is the national honor society for those students excelling in the field of business.

Kappa Mu Epsilon

Kappa Mu Epsilon is the national honorary mathematics fraternity. Its purpose is to give recognition to all undergraduate students who have achieved honors standing in mathematics and to stimulate interest in all branches of mathematics. Membership requirements are the completion of three or more mathematics courses with an overall average of 3.0 and a rank in the upper 35% of the class.

Order of Omega

Order of Omega is a national honorary society for outstanding Greek leaders on campus who have contributed significantly to their particular fraternity or sorority and to the university overall. The Order of Omega stands for the high ideal unity among all Greek members.

Pi Delta Phi

Pi Delta Phi is the national honorary French society organized for the purpose of fostering high scholarship in the study of the French language and culture. A student must complete three advanced French courses maintaining a B average and rank in the upper three-fifths of his/her class.

Pi Gamma Mu

Pi Gamma Mu is an international honor society in social science. Its purpose is to improve scholarship in the social sciences and to achieve a perspective that is a synthesis of them. The privilege of membership in the society is granted to those who have shown unusual interest and aptitude in the study of such sciences.

Psi Chi

Psi Chi, the national honor society in psychology, was founded for the purpose of encouraging, stimulating and maintaining scholarship in psychology. Requirements for membership include a minimum of three courses in psychology beyond the introductory level, with at least a 3.0 average and a rank in the upper 35% of the class.

Sigma Pi Sigma

Sigma Pi Sigma is a national honor society for physics students for the purpose of promoting a greater involvement and understanding of physics among the students on campus. This society, combined with the Society of Physics Students, meet weekly at dinner at which students make presentations concerning some aspect of physics.

Organizations

Accounting Club

The Accounting Club's purpose is to help students become familiar with career opportunities in accounting. Prestigious speakers from the FASB Board, CPA firms, as well as independent CPAs discuss topics pertaining to the field of accounting. Also, members of the group are available for tutoring in accounting. A field trip to a Big Eight firm in New York City has been planned annually.

Association for Computing Machinery

The Association for Computing Machinery is a national organization whose purpose is to promote interest in computer science by hosting guest speakers and discussing current computer topics.

Astronomy Club

The purpose of the Astronomy Club is to promote knowledge and appreciation for astronomy and science in general, utilizing scientific inquiry, field trips, lectures, etc.

Campus Big/Little Sister Program

AWS sponsors the Big/Little Sister Program. We assign incoming freshman women with volunteer upperclassmen women, who act as a "big sister". By doing this we hopefully help the freshmen women to adjust to the demands and intricacies of college life.

Biology Club

The Biology Club promotes an interest in biology through the appreciation of nature and development of professional pride to establish beneficial relationships among individuals and various sciences. This group also takes numerous field trips to experience other aspects of biology outside the campus.

Catholic Campus Ministry

The Catholic Campus Ministry meets monthly to plan activities for the students of S.U. as well as the community. The students of Catholic Campus Ministry strive to integrate their faith and values into their daily lives. The group is advised by the Pastor of St. Pius X Roman Catholic Church in Selinsgrove.

Chapel Choir

The Chapel Choir is a performing and service organization which is open to all students by audition. The group provides music for Sunday worship services and the annual Christmas Candlelight Service.

Chapel Council

Chapel Council provides programs for the entire student body on topics that directly affect our lives. Issues are viewed in light of our Judeo-Christian background.

Chemistry Club

The Chemistry Club is an organization for science and non-science students interested in chemistry and related topics. Activities of the club consist of field trips to chemical plants and manufacturing companies, hosting of ACS lectures held on campus, selling laboratory coats and laboratory reference guides, recreational activities and an annual awards banquet.

Conditioning Club

The members of this group work on bettering their physical well-being through weight lifting and other activities. The club also helps to maintain the weight room equipment and insure a safe atmosphere in the room.

Crew Club

This newly-formed organization has created considerable enthusiasm in the sport of rowing at Susquehanna. The club has been very active in fund-raising in its drive to purchase sculls for practice and competition.

Crusader Castle Employees

The Crusader Castle is a small non-profit organization managed and employed by Susquehanna students. It provides students with the opportunity to gain an understanding of responsibility and managerial skills. It also gives students a chance to help finance their college education. The Crusader Castle: a place where excellence is at its best. We work harder to serve you better.

Crusader Staff

Susquehanna's weekly newspaper is published by a student staff with assistance from the Public Relations Office. The Crusader covers all campus events and topics of interest. As the voice of the campus, The Crusader is open to the views of the student body.

Crusader Castle Managers

The managers of the Crusader Castle have added responsibilities such as financial and staffing matters and ordering food and supplies.

Cycling Club

The Cycling Club was established in 1986 for all students with an interest in various types of cycling. Activities include: group rides and discussion of riding techniques. The club also participated in races in New Jersey, New York and Pennsylvania.

Economics Club

The Economics Club is open to all interested students. The club sponsors social gatherings, picnics, and field trips.

English Club

The English Club provides fellowship and literature-related activities, such as trips to poetry readings and plays for English majors and minors.

Fellowship of Christian Athletes

The Fellowship of Christian Athletes (F.C.A.) is made up of individuals working together as a team, offering each other strength, support and opportunity to grow in the Christian faith. FCA brings athletes together to talk about their concerns, doubts, feelings, and faith. Members participate in fellowship and sharing their commitment to Jesus Christ around the common bond of Christianity and sports. FCA applies muscle and action to the Christian faith. FCA strives to strengthen the moral, mental, and spiritual fibers of the athletes and coaches of America.

Focus

Focus is an annual publication of creative works which include poetry, short stories, photographs and drawings contributed by students.

French Club

The French Club was organized to stimulate interest in the French language, history, and culture. The club participates in weekly discussions held at dinners to discuss topics of general interest. Membership is open to all interested students and faculty of the University.

Freshman Class Officers

The Freshman Class Officers are elected into office by their fellow classmates. Their primary responsibility is to plan activities and events throughout the year for the entire freshman class.

German Club

The German Club is an organization which gives German students an opportunity to get together and speak German in an informal atmosphere outside of the classroom. The club annually sponsors German cultural activities, films and a traditional Christmas party with the other foreign language clubs. Membership is open to all interested students and faculty.

Geology Club

The Geology Club consists of students and faculty interested in the geological sciences. It seeks to foster a professional spirit among its members and to promote professional development in the science of geology.

Hockey Club

The Hockey Club consists of students and a faculty advisor interested in the sport and pursuits of hockey.

Head Residents

The Head Residents are a group of students who work together with the RA's to coordinate programs and activities to enhance dorm life.

International Club

The International Club was established in May of 1971 to promote the cultural exchange of experience between foreign students and the American people.

Intra-Varsity Christian Fellowship

Intra-Varsity is a non-denominational group of Christians that meet weekly in the form of small group bible studies and a large group meeting. Our purpose is to make the campus aware of God in our college experience.

Investment Club

This club provides an opportunity for students to manage their own investment portfolio and to become involved in current financial issues.

Junior Class Officers

The Junior Class Officers were elected by their fellow students in the spring of 1986 to represent the class of 1988. Their primary responsibility is to plan activities and events throughout the year for the junior class.

Lacrosse Club

The Lacrosse Club is a group of enthusiastic women who have gotten together to form an intramural team. Although the team is not a varsity sport, it plays against other schools in its division.

Lanthorn

The 1987 Lanthorn, after many hours of hard work with a relatively unexperienced staff, hopes that we have been successful in capturing the memories and events of the 86-87 year.

Special thanks to Mr. Putsee Vannucci, Diana Nolle and Scott Deitch. Best of Luck to the entire class of 1987.

— Cindy Lain

Marketing Club

The purpose of the Marketing Club is to develop sound thinking in marketing theory and exact knowledge of business principles. Through an exploration of seven major fields of marketing, the club members seek to learn about their potential careers. Activities include seminars, lectures and field trips.

Operations Management Club

The Operations Management Club was formed in 1986 for all students interested in management. The members analyse the manner in which businesses operate and consider ways in which it may be improved. Activities also include field trips and lectures.

Orientation Team

The purpose of the Orientation Team is to assist the freshmen in making a major adjustment in the beginning of their college career. The O-Team welcomes the freshmen and helps them start to adjust to their new surroundings at Susquehanna, by making them feel at home.

Outing Club

The Outing Club is a group of students who enjoy and share their love for the outdoors. These students plan skiing trips, camping trips, and other outdoor sporting events.

The Susquehanna Chapter of the American Society for Personnel Administration received its charter from the national association in January 1986. It provides students interested in the field of human resource management with the opportunity to gain membership in a professional organization. Student members participate in monthly meetings of the regional sponsoring chapter, conduct their own monthly meetings which feature presentations by human resource professionals, and host visits to corporate human resource departments. Student members have access to the professional materials published by the national association.

Society of Personnel Administrators

Society of Physics Students

The Society of Physics Students was designed to extend the students' knowledge of physics by discussing topics not specifically discussed in the classrooms. Weekly meetings are held, at which time, topics of interest are discussed.

Psychology Club

The Psychology Club was organized in an effort to extend the student's knowledge of psychology to topics not specifically presented in the classroom. The club sponsors films, lectures, discussions, and workshops which deal with all areas of psychology, including social, educational, clinical, and abnormal psychology. Membership is open to all students.

Resident Assistants

The purpose of the residence hall staff is to work with fellow residents to facilitate an environment within the dorms that will contribute to the intellectual and social development of all individuals.

Senior Class Officers

The Senior Class Officers were elected by their fellow students in the spring of 1986 to represent the class of 1987.

Ski Club

The Ski Club arranges trips to local ski resorts. Membership is open to all students interested in skiing.

Sophomore Class Officers

The Sophomore Class Officers are elected into office by their fellow classmates. Their primary responsibility is to plan activities and events throughout the year for the entire sophomore class.

Spanish Club

The Spanish Club (or Club de Castellano) was founded in October of 1972 to stimulate interest in the Spanish language, history, and culture. The club also promotes Spanish cultural activities on campus. Membership is open to all interested in Spanish culture.

Student Activities Committee

The Student Activities Committee (SAC) provides the majority of programming events at Susquehanna. They include: concerts, Spring Weekend, coffeehouses in the Crusader Castle, films and other forms of entertainment. Membership in SAC is open to all interested students. SAC is a member of the NACA (National Association of Campus Activities).

Student Government Association

The Student Government Association (SGA) is comprised of officers elected by the student body and senators who are elected from each class and dorm. The main goal of the SGA is to establish better communication between the administration and the students.

Student Judiciary Board

The Student Judiciary Board provides the option of judgement by peers for major violations of university rules and regulations.

Tour Guides

The tour guides play an extremely important role in the admissions process. Very often, the only contact a family has with the university is an Admissions Counselor and a tour guide. Therefore, a tour guide gives the prospective students an example of the "typical" Susquehanna student. Student life, both academic and social, and other aspects of the university are discussed with the students and their families during a campus tour.

WQSU-AM/FM

The primary purposes of WQSU are to serve the public and to provide an adequate training ground for interested students. WQSU provides a great variety of programming ranging from classical music, rock music, national news and informative programs to local news and university sports broadcasts. All students of Susquehanna University are able to participate.

PROJECTS

Arboretum

The members of the Arboretum Project share an interest in protecting and maintaining the biological environment of the campus. The goals of the project are to increase awareness of the natural surroundings and add unique plants to those already found here. Markers and literature are prepared to inform students, staff, and visitors of the campus environment.

Arts Alive

Arts Alive tries to develop student interest in the fine arts. Throughout the year they have scheduled trips to see performances and art exhibits. The students involved in the project have an appreciation for the Arts and wish to share it with the campus community.

Each member of this group is paired with a local girl between the ages of 10 and 16 who is in need of guidance. Activities such as picnics and holiday parties are held to encourage personal growth and development. This project specializes in improving the little sister's outlook on life by providing them with a friend and an attentive ear.

Big/Little Sister Project

Career Crusaders is a group of students working with the Career Development Office who help students with career decisions, resume writing, mock interviews, and any questions they may have about career opportunities. Our goal is to become a bridge between the students and the staff of the Career Development Office in order to promote more career awareness.

Career Crusaders

Computer Consultants

The Computer Consultants are a group of students who show particular merit and interest in the computer field. The group's main goal is to aid the university or any student in solving computer problems which might arise.

Crossroads

The Crossroads Project is in its sixth year in the project system. The "women of 405" work in churches in Selinsgrove and Sunbury, as: volunteer youth advisors, Sunday School leaders, Youth program coordinators, and friends of the Youth and members of the congregation. Part of their activities include: all-group-projects, Bible studies, games, interdenominational activities, retreats, songs, themed parties, and all around fun.

The International House is the home for many international students, as well as American students who are genuinely interested in international culture. Among their activities are theme parties focused on various countries.

International House

PLV Seminar Series

These gentlemen work in conjunction with the activities coordinator at Penn Lutheran Village. The purpose of this project is to initiate and develop relationships with the elderly residents.

SHOE

SHOE (Students Helping Our Elderly) is a project that is designed to help the elderly of Snyder County. Project members visit the senior citizen center in Selinsgrove every day to talk to the elderly and to play cards and bingo. They also perform services such as raking leaves, shoveling snow, and moving furniture.

SU Concert Choir

The University Concert Choir performs choral repertoire from all musical periods. The group presents two campus concerts, several area concerts, and an annual concert tour. The 1986-87 Concert Choir was made up of 65 students and directed by Cyril Stretansky.

SU Chamber Singers

The University Chamber Singers was made up of twelve select student musicians who specialize in chamber music of the Baroque and Renaissance periods.

GREEKS

Panhellenic Council

The Ultimate goal of the Panhellenic Council is to unite the Greeks on our campus. The specific goal of the council is to unite the sororities. Panhellenic works as a group on several projects. They include such Greek activities as Dad's Day and Greek Week. The council's other main purpose is the promotion of harmonious philanthropic relations.

Interfraternity Council

IFC is made up of representatives from all the social fraternities. They work with the college administration in furthering the total experience of college life for men. In addition, the council promotes Greek activities such as Greek Week.

The Triumphant Seniors

1st row: Kevin Weber, Joe Wallach, Kevin Sinnott, Rich Maley, 2nd: Randy Pozsar, Dave Kells (Co-Capt.), Glen Leary, Greg Carl, Rob Sochovka, 3rd: Steve Curran, Andy Ford, Marc Zavattaro, Tom Shoemaker (Co-Capt.), Jim McNulty.

The Winning Coaches

"Rocky" Rees (Head Coach), Tony Ierulli, Jim Ermert, Roy Shiflett, Michael Klembara, Brian McBryan.

It started innocently enough with a solid 17-7 win at Muhlenberg. "It" turned into a 12-week love affair between Susquehanna and its inspired and courageous football team.

The highlights from this memorable season are many: the miraculous 43-42 Homecoming come-from-behind victory over rival Lycoming, in which the Crusaders rambled for 21 points in the game's final eight minutes; the 21-point third-quarter explosion in the 28-13 triumph at Widener; and the 61-6 romp over Lebanon Valley in front of an appreciative Parents Day crowd.

There were the shutouts of Delaware Valley, Moravian and Upsala and the blanking of Albright which completed the first 10-0 regular season in Susquehanna's 88-year football history. The sight of co-captain Tom Shoemaker pouncing on a fumbled punt by a Juniata player to secure the MAC title-clinching win will long be remembered.

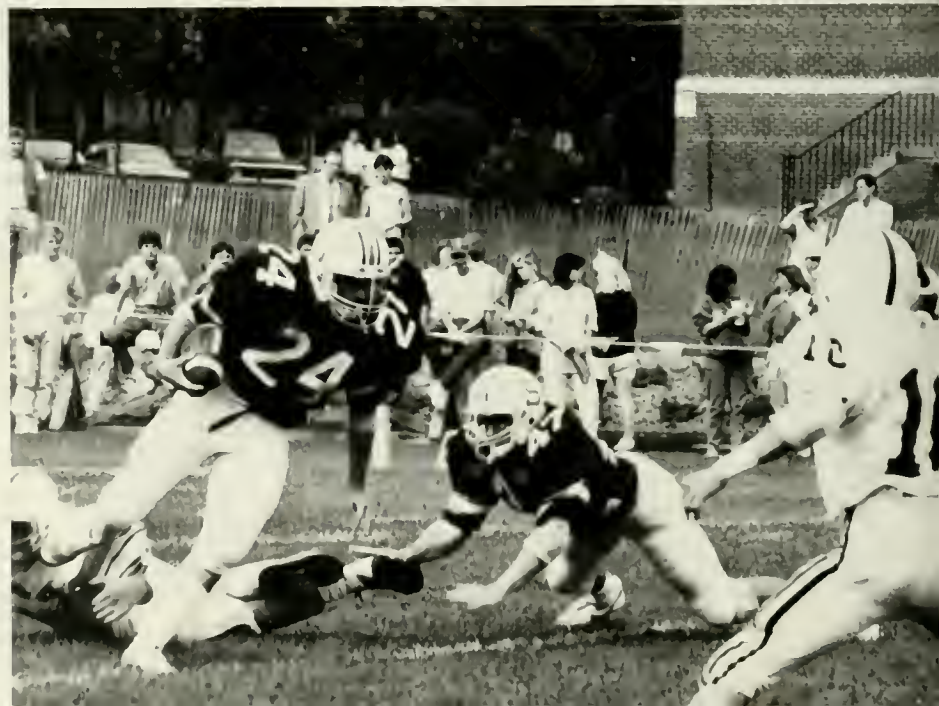

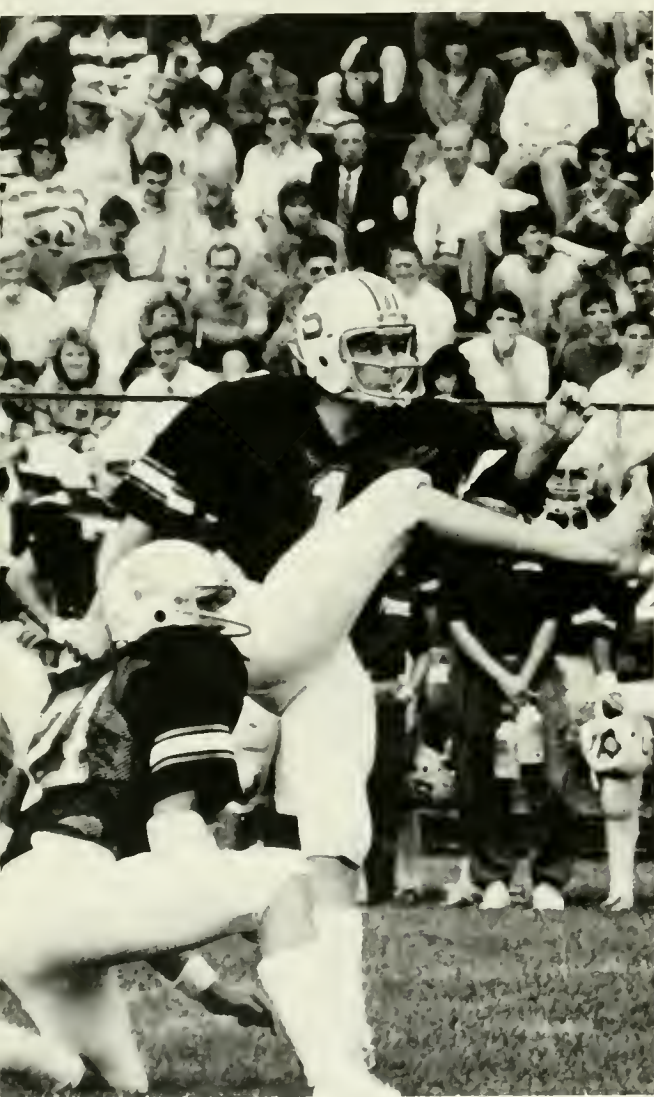

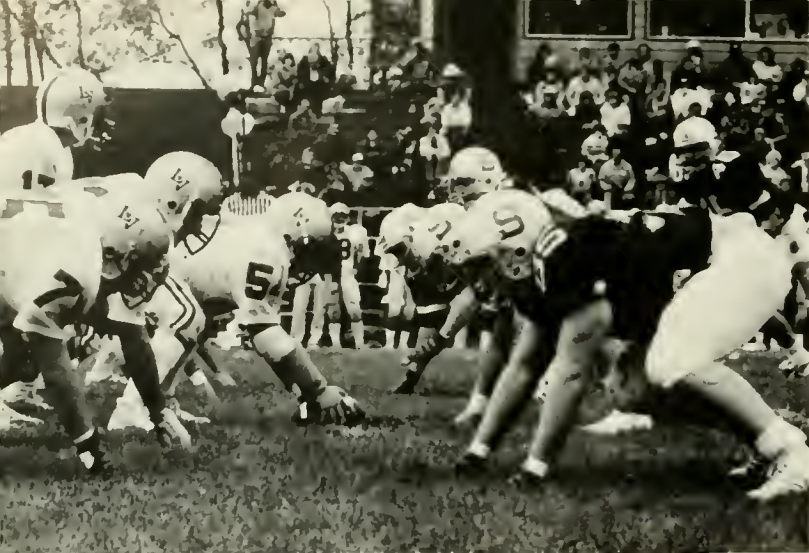

Then came Susquehanna's first NCAA Division III playoff appearance. It appeared that the Crusaders would fall in the first round, as they trailed the host Presidents of Washington & Jefferson 20-7 entering the fourth quarter. The S.U. pride became evident again, as the visitors shocked the Presidents with three touchdowns, taking the lead for good on Randy Pozsar's extra-point after a perfectly-executed halfback-option pass from Kevin Weber to Todd Coolidge.

The magic disappeared the following week as the Crusaders hosted Salisbury State in the quarterfinals. The large throng at Amos Alonzo Stagg Field saw Susquehanna take a 17-14 halftime lead, only to have the Sea Gulls shut down the Crusader express and take advantage of Susquehanna mistakes to post a 31-17 win.

It is impossible to name all the key performers from such a glorious season. There were some truly outstanding players, such as Most Valuable Player Coolidge, who set five Susquehanna single-season passing records; Best Offensive Player Rob Sochovka, who concluded his career as the school's all-time reception yardage leader; and Trevor Henry, whose 107 tackles earned him the Best Defensive Player award.

Certainly not to be forgotten are MAC first-team All-Stars Damian Caracciolo, Rich Close, Pete Stoma, Kevin Weber, Shoemaker and Sochovka. Honorable-mention picks were Kevin Gormley, co-captain Dave Kells, Brian Quiggle, Clayton Smith, and Henry. Shoemaker was a honorable-mention offensive tackle selection by the Football News.

It was a great three months, watching the Crusader gridders rack up a school-record 11 victories. Rocky Rees, who was named MAC Coach of the Year after directing Susquehanna to its second conference crown in four years, turned a team with some major weaknesses at the start of the season into a feared outfit by its end.

The Crusaders used a blend of freshmen and upper-classmen to near perfection in 1986 as they set a school record for wins in a season with an 11-2-1 mark. Head coach Connie Delbaugh's team qualified for the Middle Atlantic Conference (MAC) playoffs by finishing second in the MAC-Northwest League.

A tense 1-0 quarterfinal win over Franklin & Marshall, the first playoff triumph in school history, sent the Crusaders into the MAC semifinals against Elizabethtown. The Blue Jays brought Susquehanna's season to an end with a commanding 3-0 victory.

Felicia McClymont led the offense with a team-high nine goals and two assists for 20 points. The senior tri-captain tied 1986 graduate Jean Flaherty for Susquehanna's career scoring lead with 56 points on 25 goals and six assists.

M.J. McLaughlin, another senior tri-captain, tied the school single-season assist record with five and also took over the top spot on the all-time list with nine.

The third captain, senior Megan Mayer, scored two goals and finished her career in third place on the all-time point list with 40 on 17 goals and six assists.

Junior center back Sue Bailey and freshman goalie Patty Hostler spearheaded the defense, which allowed just seven goals. Bailey also scored two goals and two assists and Hostler was the MAC's top goalie, allowing just two scores in eight conference outings.

McClymont was selected to the MAC-Northwest All-Star Team for the third consecutive year and was joined on the 1986 select squad by Bailey and Hostler.

The Susquehanna cross-country program continues to be one of the school's best, as the 1986 harriers posted a 14-3 mark. Over the past five years Susquehanna is 74-8-1 in cross country and head coach Stan Seiple's seven-year record is 87-19-1.

Despite the excellent dual-meet mark, the Crusader runners finished a disappointing seventh at the Middle Atlantic Conference championship race. Michael Burton, who wound up fifth or better in all the dual meets, was the first Susquehanna runner to cross the finish line at MACs in 17th place. Todd Quackenboss finished 19th and Jason Rinaldi was 34th among 159 runners.

Head coach Debbie Fore faced a massive rebuilding effort as she started the season with nine freshmen and three upperclassmen with no previous intercollegiate experience on the 15-player roster. As could be expected, the Crusaders got off to a rough start losing their first 11 matches.

The young squad rebounded admirably from its rocky beginning, however, splitting the final 14 outings to finish 7-18. Susquehanna volleyball fortunes should be greatly enhanced from the maturity gained by the 1986 team, which loses only seniors Bena Reaid and co-captain Donna Neal to graduation.

The Crusader booters had high hopes coming into the 1986 season with 12 returning letter-winners back from the 1985 team, which finished 7-7-1. Their hopes were lofted even higher after they opened the year with a pair of shutout victories over Lebanon Valley and Lycoming.

The roof then came crashing down as head coach David Hahn saw his squad drop eight straight matches, scoring just four goals over the stretch. Susquehanna recovered with late-season wins over Juniata and Dickinson to close out the campaign with a 4-11 record.

Jay Copeland topped the club in goals with five while co-captain Paul Brady and Erik Rank were close behind with four each. Rank and Mark Thorsheim the other captain, tied for the team lead in assists with three.

Despite a poor dual-meet record, the Susquehanna wrestling season ended on a high note as four grapplers placed at the Middle Atlantic Conference (MAC) tournament and the team finished seventh. The Crusaders won just three of 15 duals, but gained a measure of revenge as they placed higher at the MAC affair than five of the teams they lost to during the regular season.

Co-captain Chris Labrecque fought off a nagging shoulder injury suffered early in the season to lead the team with a 16-5 mark. The junior 158-pounder was the runner-up at that weight at MACs. Senior co-captain Greg Carl concluded his career with a sixth-place MAC finish at heavyweight and a 13-7 record.

Perhaps the season's biggest surprises were freshmen Gary Allmers and George Sax. Allmers, at 142 pounds, joined the squad midway through the year and worked his way to eight wins while losing seven matches. Even without the pre-season conditioning, he used his aggressive style effectively and wound up third in the conference tournament.

167-pounder Sax, who missed just one match during the campaign, also advanced to the MAC semifinals before suffering an injury and settling for sixth place. His season record was 10-11-1.

After losing four starters from the 1986-86 team which set a school record for wins and advanced to the NCAA Division III quarterfinals, this year's men's basketball team figured to struggle. The prediction came true as the Crusaders wound up 10-15, breaking a string of six consecutive winning season.

Susquehanna, which remained in the Middle Atlantic Conference (MAC)-Northern Division playoff chase until late in the season, was sparked by captain Bruce Merklinger. The 6-foot-6 center, also the lone senior on the squad, topped the team in scoring and rebounding with averages of 17 points and 11.5 boards per game. He was named to the National Association of Basketball Coaches Middle Atlantic District All-Star first team and the MAC-North second team. His career totals of 1350 points and 884 rebounds places him in the top ten in school history in both categories.

Jay Thatcher and Jim Burke showed the potential to be a great backcourt combination. Thatcher, a sophomore, averaged 10.9 points per game and led the Crusaders in assists with 97. Burke, a freshman, joined the varsity at the season's midway point and tossed in 11.3 points per contest.

The Lady Crusaders also had just one senior, but their results were better as they finished 13-7. Susquehanna made its sixth consecutive appearance in the Midde Atlantic Conference (MAC) playoffs, but failed to gain a bid into the NCAA Division III tournament for the first time in the six-year history of the tourney.

Captain Beth Noble, the lone 1987 graduate, led head coach Tom Diehl's team in rebounding, averaging 7.6 boards per game. The 5-foot-11 center also scored 10.8 points per contest. She concluded her career with 557 points, placing her eighth on the Lady Crusader all-time list.

In sixth place on that list is junior Kay Czap, whose 359 points this season led the team and brought her three-year total to 716. Tricia Ross was the runner-up in both scoring (12.5 points per game) and rebounding (7.2 per outing).

It was the best season ever for the men's swim team and one of the best for the women's squad. The Crusader men completed the year with a 7-5 mark, setting a school record for wins in a season. The 1984-85 unit won six meets while losing four. This year's group also recorded the best Susquehanna finish at the Middle Atlantic Conference (MAC) meet and scored the most points ever, placing seventh with 107 points.

Senior Larry Bishof led the way by finishing sixth in the 50 and 100-yard freestyle and seventh in the 200-yard freestyle. He also swam a leg in three place-winning relays. Lee Kipp was eighth in the 100-yard butterfly and 12th in the 200-yard fly. The senior co-captain was a member of four relay squads which won points for the Crusaders.

The women's team tied a school record for victories as it finished 8-6. Last year's outfit recorded an equal number of triumphs. At the MAC affair, the Crusader ladies ran up a total of 83 points for a ninth-place showing.

A trio of seniors concluded their careers in fine style during the three-day conference event. Cindy Lain garnered eighth place in the 100-yard breaststroke and ninth in the 200-yard breast. The team's butterfly specialist, Amy Summerfield, was eighth in the 100 and 11th in the 200. In the backstroke, Tammy Smith hit the wall ninth in the 100 and 10th in the 200.

A fourth senior, Leslie Wells, swam on four relays which finished fifth through 10th.

Don't Quit

*When things go wrong, as they sometimes will,
 When the road you're trudging seems all up hill,
 When the funds are low, and the debts are high,
 And you want to smile, but you have to sigh,
 When care is pressing you down a bit,
 Rest if you must, but don't you quit.
 Life is queer with its twists and turns,
 As everyone of us sometimes learns,
 And many a failure turns about,
 When he might have won had he stuck it out,
 Don't give up though the pace seems slow,
 You may succeed with another blow.
 Success is a failure turned inside out,
 The silver tint of the clouds of doubt,
 And you never can tell how close you are,
 It may be near when it seems so far,
 So stick to the fight when you're hardest hit,
 It's when things seem worse,
 That you must not quit.*

*If you treasure the beauty
that shows all around you
and try to add some of your own,
Enjoy the companionship
others can give you,
yet value your moments alone . . .*

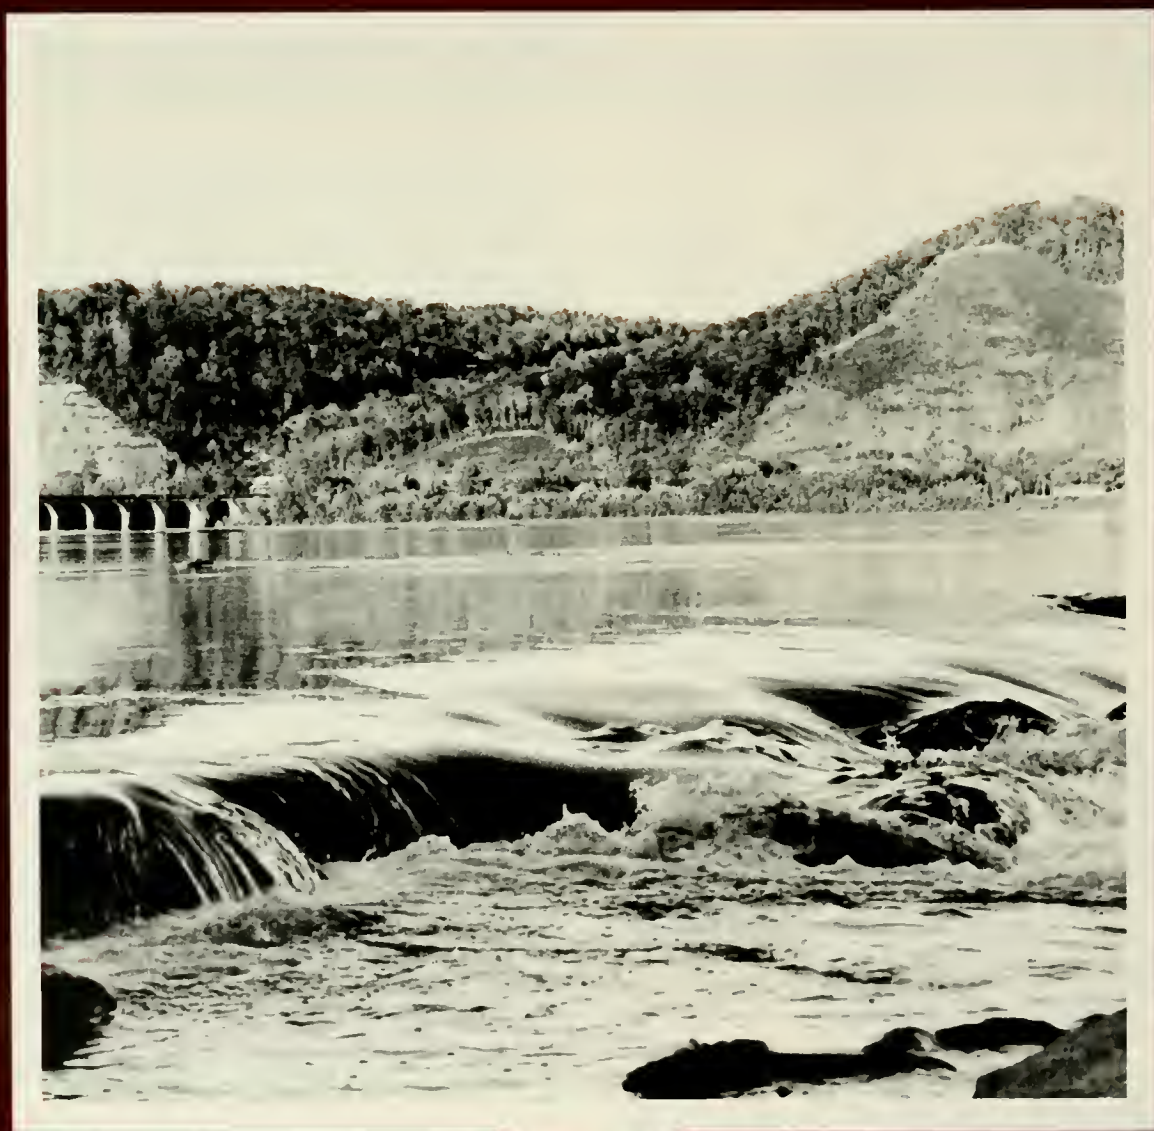

*If you honor opinions
that differ from yours,
yet stand up for what you believe,
Admire the Accomplishments
others have made,
and take pride
in what you can achieve ...*

*If you love those around you
and love yourself, too,
if your spirit is eager and free ...
Then you know what it means
to live life to its fullest
and be the best "you" you can be.*

*"We never lose the ones
we love;
For, even though they're gone,
Within the hearts
of those who care,
Their memory lingers on."*

*"Time cannot steal the treasures that
we carry in our hearts . . . "*
